THE GREECE VACATION EXPERTS

Naxos by the Sea

Description: This journey is a deep dive into the heart of the sea, offering a firsthand encounter with the art of traditional net fishing and the discovery of the island's most secluded, pristine shores. The adventure begins on shimmering waters, where you will join the crew in the exhilarating task of hauling in the nets. Feel the weight of the sea's bounty as the "catch of the day" is reeled in right before your eyes. Between the action, we glide toward hidden coastal gems—secret coves and azure bays chosen by the whispers of the wind. Here, you will have the chance to dive into the crystal-clear embrace of the sea or relax on sands untouched by crowds during our dedicated swimming stops. As you surrender to the tranquil waters, the culinary magic begins on deck. You are invited to watch the crew transform into artisans of the flame, preparing the fresh haul using age-old techniques. The experience culminates in a true feast for the senses: a long, leisurely lunch of aromatic fisherman's soup or perfectly grilled fish, paired with crisp local wines and served against the endless blue horizon of the Aegean.
